Indexed Enviroment	4, Piercing Sight	Action	1 AP	Gives the caster immediate knowledge of every item in a 15 meter radius, even if the item is hidden. This index does not give the caster any information on the purpose or mechanics of an item, only the fact that it exists.

The observer must make an ABS Skill Check with a difficulty equal to the SAN of the caster, with failiure making them take damage equal to the casters BRV and their eyes lose vision.

Unburdened Eyes	4, Piercing Sight	Passive	-1 AP	The caster is no longer able to see illusions unless they are spells under the Author of Reality foundation.
